

UPDATE 5

1. INVOICES:

We have raised and sent invoices. Please be advised that so far we have not received fees from some institutions, or remittance advice. We would appreciate if you can send us copy of telegraphic transfer so that we can allocate the money.

2. SCHOLARSHIPS:

- A) Do not worry when students approach your stand and ask for a scholarship. This is part of our Colombian culture. Even the wealthiest students will beg for a scholarship.
- B) Scholarships have been an excellent marketing strategy that we have developed in the last 10 years attracting big numbers of students. Of course just a few will win it, but all of the other students will still be interested in travelling to study overseas. Believe me. It really works.
So please we ask you to contribute with at least one good scholarship to be raffled at the EXPO

3. INVITATION LETTER:

Citizens of some countries require to submit an invitation letter to the event upon arrival at Customs in Colombia. Please refer to the attachment model, and print it it/ fill it out in case it is required.

4. SOCIAL EVENT:

Please be advised that we have a social event in each city, in our offices. In Medellin, it will be held on April the 22nd ; in Bogota on April the 23rd and in Mexico on April the 28th . Don't miss it!

We look forward to meeting you all
